

## OVERVIEW / BACKGROUND

Pan Pac Forest Products Limited (Pan Pac) is an integrated (forestry, pulping and sawmilling) business based at Whirinaki in Hawke's Bay. Pan Pac, as a "good corporate citizen" has a policy of supporting the community through a number of initiatives including providing community grants and sponsorships.

Pan Pac has an environmental policy and environmental values which are to:

- Develop its business in an environmentally responsible manner.
- Understand and manage its impact on the surrounding community and environment through open communication with community stakeholders.
- Be proactive in seeking out best practice environmental processes and technology.
- Continuously improve environmental performance through seeking efficiencies and opportunities for improvements by ongoing reviews of its targets and objectives.

Pan Pac in accordance with its environmental policy and environmental values has consulted and worked with community stakeholders (including parties involved in relevant resource consent processes under the *Resource Management Act 1991*) to determine ways to protect, restore and enhance the local environment and has established the Pan Pac Environmental Trust.

## TRUST PURPOSE
